

Editor's Note

Erratum

An error occurred in Gillian Triggs "Japanese Scientific Whaling: An Abuse of Right or Optimum Utilisation?" published in Issue 1, Volume 5 (2000). Page 59, first line should be amended to read:

International law recognises the principle of an abuse of right where a right is exercised for a purpose contrary to the purpose for which it was conferred and is a sham to avoid a legal obligation.

The *Asia Pacific Journal of Environmental Law* apologises to Professor Triggs and readers for this error.
