Title: *Beyond the Mists*

Medium: Acrylic on cotton

Year: 2006

Statement: "Looking back, through the present, we are able to make out the ever-present 'mists' or shadows of the dreaming – our ancestors are always with us, they know what we are doing to the earth, and that the sacred Lore has been ignored. Just because we chose to forget or ignore the ancestors and the Lore, does not mean that they do not exist, the time of judgement will come one day, and those who have desecrated the land for their own greed and power will be called to account before the highest power." © M Powell 2006.
