Correction

In last month's INCITE, it was noted that Craig Anderson was the innovator behind VicNet. This statement was erroneous and should have stated that Craig was one of the innovators behind VicNet. VicNet was the product of the hard work of a number of contributors. In particular, we acknowledge the leadership of Gary Hardy in implementing the industry's vision of a public network. To see the work of VicNet, visit the website: www.vicnet.net.au/

Partnering with the Profession

- **20+ years experience in Information Management**
- **Employment Consulting & Library Technical Services**
- **Local, State & Federal Government endorsed supplier**

Zenith is a specialist agency offering Employment Consulting and Library Technical Services to the Library, Records, Archives and Information Management industries. Zenith serves clients across all sectors from public libraries and government departments to education, large corporate and not-for-profit organisations.

With offices in Sydney, Melbourne and Canberra, and as a member of Careers MultiList with over 90 affiliate partners around Australia, Zenith can offer a wider range of employment and technical services than other agencies within the Information Management sector.

As a partner we recognise you as a dynamic and creative market leader who appreciates emerging technologies and the impact a highly capable and motivated team can have.

A successful partnership with Zenith is assured as like us, you:

- embrace change and demonstrate a flexible approach to influencing stakeholders
- have a customer centric perspective which is evident across all business initiatives
- are keen to accept constructive input from experienced industry partners.

Please call **John Cooksey, General Manager - Employment Services** or **Julie Daw, General Manager - Library Technical Services** on 1300 852 555.
