(5) The plaintiff shall, when filing the statement of claim in the action, file a copy of the statement mentioned in subrule (1) or (4) endorsed with a certificate by the plaintiff or his solicitor to the effect that the statement, documents and reports have been served on the defendant's insurer as required by this rule.

#### **Service of statement of claim**

4. The statement of claim in an action under the Act shall be served on the defendant within 3 months after the date of commencement of the action.

(5) Subrules (1) to (4) apply subject to any order of the Court made at any time.

(6) At the status conference the action shall be before the Court or registrar for directions.

#### **Directions**

6. (1) The Court (or, where it is otherwise within the power of the registrar, the registrar) may at a status conference or at any other time give, in respect of an action in the Motor Accidents List, directions as referred to in section 68A of the Act, and those directions may include, but are not limited to, directions which:

- (a) require a party or parties to the action to:
  - (i) attend a call-over, a pre-trial conference, a status conference or a dispositions hearing;
  - (ii) file a praecipe for trial;
  - (iii) complete any step within a time specified in the direction, whether or not that time is prescribed in the rules; or

**Non-compliance with Act**

7. A defendant may not move the Court to strike out an action under the Act on the ground that:

- (a) the accident the subject of the action was not reported in compliance with section 42;
- (b) a claim was not made in respect of the accident in compliance with section 43; or
- (c) the action was commenced outside a relevant time period as prescribed by operation of section 52,

of the Motor Accidents Act 1988 unless the defendant so moves within 2 months after the commencement of the action.

---

**EXPLANATORY NOTE**

The purpose of the amendments is to establish a Motor Accidents List in the District Court, and to include in this List all actions under the Motor Accidents Act 1988 commenced after the List is established. Before an action under the Act can be commenced, the plaintiff is to be required to serve on the defendant's insurer all documents necessary to enable the insurer to consider the case in detail and decide what offer (if any) of settlement to make. From a point 6 months after commencement the action, if not settled, will be managed by the Court, through the giving and enforcing of directions, to an early hearing or arbitration.
