ANNO UNDECIMO

ELIZABETHÆ SECUNDÆ REGINÆ

No. 6934.

An Act to sanction the Issue and Application of Loan Money for Works and other Purposes relating to Irrigation Water Supply Drainage Sewerage Flood Protection and River Improvement, and for other purposes.

[27th November, 1962.]

**B**E it enacted by the Queen's Most Excellent Majesty by and with the advice and consent of the Legislative Council and the Legislative Assembly of Victoria in this present Parliament assembled and by the authority of the same as follows (that is to say) :—

Short title.

1. This Act may be cited as the *Water Supply Loan Application Act 1962*.

Issue and application of money from Loan Fund for purposes specified in Schedule.

2. From the Loan Fund there may be issued and applied the several amounts specified in the Schedule to this Act in the column headed "Proposed Provision" for the respective works and purposes specified opposite thereto, not exceeding Eleven million three hundred thousand pounds in all.

No loan expenditure for water supply, &c., except under this Act.

3. (1) Notwithstanding anything in any Water Supply Loan Application Act in force before the commencement of this Act no money shall by virtue of any such Act be expended out of the

Loan

Loan Fund for works and purposes relating to irrigation water supply drainage flood protection or river improvement except pursuant to and to the extent authorized by this Act.

(2) Notwithstanding anything in any Loan Application Act in force before the commencement of this Act no money shall by virtue of any such Act be expended under the *Sewerage Districts Act 1958* for sewerage works in country districts or under the *Latrobe Valley Act 1958* except pursuant to and to the extent authorized by this Act.

No expenditure for country sewerage or under *Latrobe Valley Act 1958* except under this Act.

4. (1) The sums specified in the First Part of the Schedule to this Act in the column headed "Proposed Provision" may be respectively expended by the State Rivers and Water Supply Commission for the purposes mentioned in the said First Part.

State works.  
First Part  
of Schedule.

(2) Any sum so expended shall be charged to the Capital Expenditure Borne by the State Account and the liability therefor shall be borne by the State accordingly and shall not be deemed to be a liability of any authority.

(3) Notwithstanding anything in the last preceding sub-section the Governor in Council on the recommendation of the Minister of Water Supply may from time to time by Order adjust any expenditure made under sub-section (1) of this section by transferring from the State to any district or authority concerned the liability for such amount of any such expenditure as the Governor in Council considers reasonable having regard to the development of such district or authority and thereupon the liability for any amount so transferred shall be transferred out of the Capital Expenditure Borne by the State Account and be charged in the books of the State Rivers and Water Supply Commission to such district or authority and be a liability of the appropriate district or authority accordingly.

5. The works specified in the First Part of the Schedule to this Act, other than those which have by some Act of Parliament passed before the commencement of this Act been declared to be National or State works of water supply drainage flood protection or river improvement, are hereby declared to be State works of water supply drainage flood protection or river improvement (as the case may be) within the meaning of the *Water Act 1958*; and the State Rivers and Water Supply Commission is hereby authorized and directed to construct and carry out all works specified in the First Part of the Schedule to this Act.

Works declared to be State works.
