Version No. 002
Wildlife Regulations 2002
S.R. No. 50/2002

Version incorporating amendments as at 1 July 2004

PART 1—PRELIMINARY

1. Objectives

The objectives of these Regulations are—

- (a) to make further provision in relation to the licensing system established by section 22 of the **Wildlife Act 1975**; and
- (b) to prescribe fees, offences, royalties and various other matters for the purposes of the **Wildlife Act 1975**; and
- (c) to provide for exemptions from certain provisions of the **Wildlife Act 1975**.

2. Authorising provisions

These Regulations are made under sections 22 and 87 of the **Wildlife Act 1975**.

3. Commencement

These Regulations come into operation on 29 June 2002.

4. Revocation

The Regulations listed in Schedule 1 are **revoked**.

5. Definitions

In these Regulations—

"Act" means the **Wildlife Act 1975**;

"Commercial Wildlife Licence" means any one of the following licences—

- (a) Wildlife Controller Licence Type 1;
- (b) Wildlife Controller Licence Type 2;
- (c) Wildlife Dealer Licence Type 1;
- (d) Wildlife Dealer Licence Type 2;
- (e) Wildlife Demonstrator Licence;
- (f) Wildlife Displayer Licence;
- (g) Wildlife Producer Licence Type 1;
- (h) Wildlife Producer Licence Type 2;
- (i) Wildlife Producer Licence Type 3;
- (j) Wildlife Taxidermist Licence Type 1;
- (k) Wildlife Taxidermist Licence Type 2;

"exempt person" means a person who is, by the operation of regulation 19, exempt from section 47 of the Act;

"registered veterinary practitioner" has the same meaning as in the **Veterinary Practice Act 1997**;

"take" means to gain possession or control of wildlife by any means and also includes causing, permitting or assisting in taking wildlife;

"trap" includes a trap, net, snare, pitfall or any other contrivance used for, or capable of being used for, taking wildlife.

PART 2—GENERAL REGULATIONS**6. Prescribed poisons**

For the purposes of section 54 of the Act, the following substances are prescribed to be poisons—

- (a) any poison or controlled substance within the meaning of the **Drugs, Poisons and Controlled Substances Act 1981**; or
- (b) any substance defined as an agricultural chemical product under the Agricultural and Veterinary Code Act 1994 of the Commonwealth.

7. Prescribed areas of public land for purposes of section 48A of the Act

The areas of public land listed in Schedule 2 are prescribed for the purposes of section 48A(1)(c) of the Act.

8. Taking or harassing wildlife

- (1) A person must not use a bait, lure, poison, decoy, or live animal to attract wildlife for the purpose of taking that wildlife unless that person is licensed, permitted or authorised to do so under the Act.

Penalty: 20 penalty units.

- (2) A person must not use a firearm from an aircraft, motor vehicle, boat, or any other vehicle to take wildlife unless that person is licensed, permitted or authorised to do so under the Act.

Penalty: 20 penalty units.

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 2—General Regulations

r. 9

- (3) A person must not use an aircraft, motor vehicle, boat, or any other vehicle to pursue, chase, or harass wildlife unless that person is licensed, permitted or authorised to do so under the Act.

Penalty: 20 penalty units.

- (4) A person must not use an artificial light, electronic device, or recorded sound to hunt or take wildlife unless that person is licensed, permitted or authorised to do so under the Act.

Penalty: 20 penalty units.

- (5) A person must not use a gun, bow or other weapon, trap, or any other equipment or substance for the purpose of taking wildlife unless that person is licensed, permitted or authorised to do so under the Act.

Penalty: 20 penalty units.

- (6) Sub-regulation (1) does not apply to a person attempting to capture any wildlife of the taxa listed in Part A or Part C of Schedule 6 or Schedule 8 which was legally in the possession of that person and which has escaped from their possession.

9. Person not to damage, disturb or destroy any wildlife habitat

- (1) A person must not wilfully damage, disturb or destroy any wildlife habitat.
- (2) Sub-regulation (1) does not apply to a person who is—
- (a) authorised to do so under the Act; or
 - (b) the holder of a licence granted under the **Forests Act 1958** to harvest timber or other forest produce; or

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 2—General Regulations

r. 10

(c) authorised to do so under any other Act.

Penalty: 50 penalty units.

10. Housing wildlife

- (1) A person who possesses living wildlife must keep the wildlife in secure cages or enclosures that are designed, constructed and maintained to prevent the escape of the wildlife, to protect the wildlife from predators, and to resist access by persons not authorised by the person who possesses the wildlife.

Penalty: 20 penalty units.

- (2) If a cage or enclosure is not designed, constructed and maintained in accordance with sub-regulation (1), the Secretary may direct in writing that the person possessing the wildlife make the changes or alterations specified in the direction to the enclosure within the period specified in the direction.
- (3) Sub-regulation (1) does not apply to a person who has the authority in writing of the Secretary under sub-regulation (4) or (5) and who is acting in accordance with that authority.
- (4) The Secretary may authorise a person to keep wildlife in an enclosure which does not comply with any or all of the requirements of sub-regulation (1) for the purposes of temporary housing, display or demonstration of that wildlife.
- (5) The Secretary may—
- (a) authorise a person to keep waterfowl in an enclosure which does not comply with any or all of the requirements of sub-regulation (1); and
 - (b) impose conditions on the authorisation made under paragraph (a).

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 2—General Regulations

11. Transport of wildlife

- (1) A person who consigns, conveys or transports wildlife must ensure that any container or receptacle used to consign, convey or transport the wildlife is designed, constructed and maintained to—
- (a) withstand transportation; and
 - (b) prevent the escape of the wildlife contained within; and
 - (c) protect against predators; and
 - (d) resist interference.

Penalty: 20 penalty units.

- (2) A person who consigns a specimen of wildlife for transport or conveyance must ensure that the container or receptacle in which the specimen is placed has securely attached to it a label clearly displaying the following information—
- (a) his or her name and address and wildlife licence number (if any); and
 - (b) the name and address and wildlife licence number (if any) of the person to whom the specimen is being consigned; and
 - (c) the common name (as shown in the relevant Schedule to these Regulations) of the taxon of the specimen that is being consigned; and
 - (d) the number of specimens of each taxon of wildlife in the container or receptacle in which the specimen is placed.

Penalty: 20 penalty units.

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 2—General Regulations

r. 12

- (3) A person who conveys or transports a specimen of wildlife must ensure that the container or receptacle in which the specimen is placed has securely attached to it a label clearly displaying information that the person reasonably believes is the following information—
- (a) the name and address and wildlife licence number (if any) of the owner of the specimen; and
 - (b) the name and address and wildlife licence number (if any) of the person to whom the specimen is being consigned; and
 - (c) the common name (as shown in the relevant Schedule to these Regulations) of the taxon of the specimen that is being consigned; and
 - (d) the number of specimens of each taxon of wildlife in the container or receptacle in which the specimen is placed.

Penalty: 20 penalty units.

- (4) Nothing in this regulation applies to any person who temporarily possesses sick, injured or abandoned wildlife for the purpose of transporting the wildlife to a registered veterinary practitioner or the holder of an authorisation under section 28A of the Act for the purposes of enabling the care, treatment or rehabilitation of sick, injured or orphaned wildlife.

12. Wildlife that is not self-sufficient

- (1) Unless specifically authorised by the Secretary a person must not—
- (a) buy, sell, dispose of, consign, convey or transport any wildlife that—
 - (i) cannot feed itself; or

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 2—General Regulations

- (ii) if a flighted bird, is too young to fly, or if a flightless bird, is less than 4 weeks old; or
- (iii) if a mammal, is not fully weaned; or
- (iv) is obviously diseased or injured; or
- (v) is an egg; or
- (b) buy, sell, dispose of, consign, convey or transport any tortoise or turtle with a carapace length of less than 100 millimetres.

Penalty: 20 penalty units.

- (2) Nothing in this regulation applies to any person who—
- (a) temporarily possesses sick, injured or abandoned wildlife for the purpose of transporting the wildlife to a registered veterinary practitioner or to the holder of an authorisation under section 28A of the Act for the purposes of enabling the care, treatment or rehabilitation of sick, injured or orphaned wildlife; or
 - (b) is buying, selling, disposing of, consigning, conveying or transporting the eggs of any taxon of wildlife listed in Part A of Schedule 6; or
 - (c) is buying, selling, disposing of, consigning, conveying or transporting any wildlife listed in Part C of Schedule 6 which is not fully weaned if that wildlife is being bought, sold, disposed of, consigned or transported with its mother; or
 - (d) is the holder of a Wildlife Producer Licence Type 3 who is buying, selling, disposing of, consigning, conveying or transporting the eggs of any wildlife listed in Schedule 8.

13. Inter-breeding of wildlife

- (1) A person must not permit different taxa of wildlife to inter-breed unless those taxa of wildlife are known to inter-breed in the wild.

Penalty: 20 penalty units.

- (2) A person must not sell or dispose of cross-breeds of wildlife unless those cross-breeds are known to occur in the wild.

Penalty: 20 penalty units.

- (3) Nothing in this regulation applies to a person who inter-breeds the taxa of wildlife listed in Parts A and C of Schedule 6 with other taxa of wildlife listed in Parts A and C of Schedule 6 and who sells or disposes of the resultant cross-breeds.

14. Application for import and export permits

A person applying for a permit under section 50(3) of the Act must—

- (a) complete the application form provided by the Secretary in respect of the purpose for which the permit is required; and
- (b) submit the form to the Secretary.

15. Notification of changes of name or address

The holder of a wildlife licence, permit or authority issued under the Act must notify the Secretary in writing within 7 days of any change of name or address previously provided to the Secretary in relation to the licence, permit or authority.

Penalty: 5 penalty units.

16. Application for authorisation under section 28A

A person applying under section 28A(4)(a) of the Act for an authorisation must—

- (a) complete the appropriate application form provided by the Secretary in respect of the purpose for which the authorisation is required; and
 - (b) submit the form to the Secretary.
- _____

PART 3—EXEMPTIONS**17. Persons exempt from operation of sections 41, 42, 43 and 44 of the Act**

A person who is a registered veterinary practitioner who destroys wildlife in accordance with the **Prevention of Cruelty to Animals Act 1986**, is exempt from the operation of sections 41, 42, 43 and 44 of the Act, to the extent that those sections relate to the destruction of wildlife.

18. Persons exempt from operation of section 43 of the Act

A person who is a licensee, manager or operator of, or is employed in a licensed meat processing facility under the **Meat Industry Act 1993** is exempt from the operation of section 43 of the Act to the extent that section 43 relates to destruction of protected wildlife if that person—

- (a) destroys wildlife listed in Schedule 8—
 - (i) that has been bred in captivity or is from a source approved by the Secretary; and
 - (ii) in a licensed meat processing facility under the **Meat Industry Act 1993**; or
- (b) destroys wildlife listed in Part A or Part C of Schedule 6—
 - (i) that has been bred in captivity or is from a source approved by the Secretary; and
 - (ii) in a licensed meat processing facility under the **Meat Industry Act 1993**.

19. Persons exempt from operation of section 47 of the Act

- (1) If a person keeps, possesses, buys, sells, displays or disposes of—

- (a) wildlife listed in Part A of Schedule 5; or
- (b) infertile eggs of wildlife listed in Schedule 8—

the keeping, possessing, buying, selling, displaying or disposing of that wildlife by that person is exempt from the operation of section 47 of the Act, if the wildlife has been bred in captivity or is from a source approved by the Secretary, and if the keeping, possessing, buying, selling, displaying or disposing of that wildlife is not for the purposes of hunting.

- (2) If a person breeds—

- (a) wildlife listed in Part A of Schedule 5; or
- (b) infertile eggs of wildlife listed in Schedule 8—

the breeding of that wildlife by that person is exempt from the operation of section 47 of the Act, if the wildlife is bred from specimens that have been bred in captivity or that are from a source approved by the Secretary, and if the breeding of that wildlife is not for the purposes of hunting.

- (3) If a person keeps or possesses wildlife listed in Part B of Schedule 5, the keeping or possessing of that wildlife by that person is exempt from the operation of section 47 of the Act, if the wildlife has been bred in captivity or is from a source approved by the Secretary.
- (4) If a person breeds wildlife listed in Part B of Schedule 5, the breeding of that wildlife by that person is exempt from the operation of section 47

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 3—Exemptions

r. 19

of the Act, if the wildlife is bred from specimens that have been bred in captivity or that are from a source approved by the Secretary.

- (5) If a person buys, acquires, sells or disposes of wildlife listed in Part B of Schedule 5 and does not sell the wildlife from a shop or business premises, the buying, acquiring, selling or disposing of that wildlife by that person is exempt from the operation of section 47 of the Act, if the wildlife has been bred in captivity or is from a source approved by the Secretary.
- (6) If a person sells or disposes of wildlife listed in Part B of Schedule 5, the sale or disposal (as the case requires) is exempt from the operation of section 47 of the Act if—
 - (a) the wildlife is sold to the holder of a Wildlife Dealer Licence; and
 - (b) the person selling the wildlife has had produced by the person acquiring the wildlife, proof of the acquirer's identity and of the Wildlife Dealer Licence he or she holds; and
 - (c) the wildlife has been bred in captivity or is from a source approved by the Secretary.
- (7) If a person possesses, buys, sells, displays, disposes of or processes (other than for the purposes of taxidermy) wildlife listed in Part A or Part C of Schedule 6, the possessing, buying, selling, displaying, disposing of or processing (other than for the purposes of taxidermy) of that wildlife by that person is exempt from the operation of section 47 of the Act, if the wildlife has been bred in captivity or is from a source approved by the Secretary.

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 3—Exemptions

r. 20

- (8) If a person breeds (other than for the purposes of taxidermy) wildlife listed in Part A or Part C of Schedule 6, the breeding (other than for the purposes of taxidermy) of that wildlife by that person is exempt from the operation of section 47 of the Act, if the wildlife is bred from specimens that have been bred in captivity or that are from a source approved by the Secretary.
- (9) If a person possesses game, the possessing of the game is exempt from the operation of section 47 of the Act, if the game has been taken, hunted and destroyed in accordance with a game licence and during the open season for that taxon of game.
- (10) If a person possesses, buys or sells—
 - (a) parts of wildlife listed in Part B of Schedule 6 in any form; or
 - (b) the shells of the eggs of emus (*Dromaius novaehollandiae*)—

that have been processed (but not taxidermied) in accordance with the Act or the corresponding law of another State or a Territory of the Commonwealth, the possessing, buying or selling of that wildlife by that person is exempt from the operation of section 47 of the Act, if that wildlife has, or the shells of the eggs are from emus that have, been bred in captivity or are from a source approved by the Secretary.

20. Persons exempt from operation of sections 45, 46 and 47 of the Act

- (1) If a person temporarily possesses a specimen of sick, injured or abandoned wildlife for the purpose of transporting it to—
 - (a) a registered veterinary practitioner; or

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 3—Exemptions

r. 20

- (b) a person who is the holder of an authorisation under section 28A of the Act for the purposes of enabling the care, treatment or rehabilitation of sick, injured or orphaned wildlife—

the possession of that wildlife for that purpose is exempt from the operation of sections 45, 46 and 47 of the Act.

- (2) If a person who is a registered veterinary practitioner possesses sick, injured or abandoned wildlife temporarily for the purpose of administering veterinary treatment to the wildlife, the possession of that wildlife for that purpose by that person is exempt from the operation of sections 45, 46 and 47 of the Act.
- (3) The Zoological Parks and Gardens Board established under the **Zoological Parks and Gardens Act 1995** is exempt from the operation of sections 45, 46 and 47 of the Act.
- (4) If a person possesses wildlife, for the purposes of conveying and transporting it on behalf of, or at the request of, a holder of a wildlife licence and if the person has a letter of authorisation or delivery docket he or she has been given by the licence holder which the person reasonably believes states—
- (a) the name and address and wildlife licence number (if any) of the owner of the wildlife; and
 - (b) the name and address and wildlife licence number (if any) of the person to whom the wildlife is being consigned; and
 - (c) the common name (as shown in the relevant Schedule to these Regulations) of each taxon of wildlife that is being consigned; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 3—Exemptions

r. 21

- (d) the number of specimens of each taxon of wildlife being conveyed or transported; and
- (e) the date on which the wildlife is being conveyed or transported—

the possession of that wildlife for those purposes is exempt from the operation of sections 45, 46 and 47 of the Act.

- (5) If a person possesses cast or shed wildlife feathers, sloughed skins of reptiles or cast antlers of deer, the possession of that product by that person is exempt from the operation of section 47 of the Act.

21. Prescribed wildlife and wildlife products to which section 50(1) of the Act does not apply

The following wildlife and wildlife products are prescribed for the purposes of section 50(1A) of the Act—

- (a) wildlife listed in Part A of Schedule 5;
- (b) parts of wildlife listed in Part B of Schedule 6 in any form;
- (c) the shells of eggs of emus (*Dromaius novaehollandiae*)—

that have been processed (but not taxidermied) in accordance with the Act or with a corresponding law of another State or of a Territory of the Commonwealth.

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

r. 22

**PART 4—REGULATIONS APPLYING TO WILDLIFE
LICENCES**

22. Prescribed categories of licences

For the purposes of section 22 of the Act, the prescribed categories of wildlife licences are—

- (a) Private Wildlife (Basic) Licence;
- (b) Private Wildlife (Advanced) Licence;
- (c) Private Wildlife (Specimen Category) Licence;
- (d) Commercial Wildlife (Wildlife Controller) Licence Type 1, in these Regulations referred to as Wildlife Controller Licence Type 1;
- (e) Commercial Wildlife (Wildlife Controller) Licence Type 2, in these Regulations referred to as Wildlife Controller Licence Type 2;
- (f) Commercial Wildlife (Wildlife Dealer) Licence Type 1, in these Regulations referred to as Wildlife Dealer Licence Type 1;
- (g) Commercial Wildlife (Wildlife Dealer) Licence Type 2, in these Regulations referred to as Wildlife Dealer Licence Type 2;
- (h) Commercial Wildlife (Wildlife Demonstrator) Licence, in these Regulations referred to as Wildlife Demonstrator Licence;
- (i) Commercial Wildlife (Wildlife Displayer) Licence, in these Regulations referred to as Wildlife Displayer Licence;

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

r. 23

- (j) Commercial Wildlife (Wildlife Producer) Licence Type 1, in these Regulations referred to as Wildlife Producer Licence Type 1;
- (k) Commercial Wildlife (Wildlife Producer) Licence Type 2, in these Regulations referred to as Wildlife Producer Licence Type 2;
- (l) Commercial Wildlife (Wildlife Producer) Licence Type 3, in these Regulations referred to as Wildlife Producer Licence Type 3;
- (m) Commercial Wildlife (Wildlife Taxidermist) Licence Type 1, in these Regulations referred to as Wildlife Taxidermist Licence Type 1;
- (n) Commercial Wildlife (Wildlife Taxidermist) Licence Type 2, in these Regulations referred to as Wildlife Taxidermist Licence Type 2;
- (o) Assistant's Licence.

23. Application for the issue, renewal or variation of a wildlife licence

A person applying for the issue of a wildlife licence, the renewal or variation of a wildlife licence or the re-issue of a lost or damaged wildlife licence, must supply all the information required to complete the form provided by the Secretary including, if so required by the Secretary, the following details—

- (a) a plan of the area applied for showing all buildings, fences, yards, shelters, watering and feeding facilities;

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

r. 24

- (b) the enclosure design and specifications, materials to be used in construction of facilities, enclosure layout, holding pens, shelters, watering and feeding facilities and any other relevant matter;
- (c) a list of the taxa of any wildlife to be destroyed by being released for hunting;
- (d) in the case of a person who is less than 18 years of age and who applies for a Private Wildlife (Basic) Licence or a Private Wildlife (Advanced) Licence, the written and signed consent of that person's parent or legal guardian;
- (e) in the case of a person who is less than 18 years of age and who applies for a Private Wildlife (Advanced) Licence including the possession of the venomous snakes listed in Part B of Schedule 4, documentation that demonstrates that the applicant understands the handling of those venomous snakes.

24. Specified premises

- (1) It is a condition of a specified wildlife licence that the holder of the licence must not keep any wildlife he or she possesses at any premises that is not specified in the licence unless that person has obtained the written approval of the Secretary to keep the wildlife at premises not so specified.
- (2) The approval of the Secretary under sub-regulation (1) must be obtained before wildlife is kept at a premises that is not specified in the licence.
- (3) In sub-regulation (1), "**specified wildlife licence**" means a wildlife licence that is not—
 - (a) a Wildlife Demonstrator Licence; or

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

r. 25

- (b) a Wildlife Controller Licence Type 1 or 2; or
- (c) a Wildlife Displayer Licence; or
- (d) a Wildlife Producer Licence Type 3.

25. Marking of individual wildlife

- (1) The Secretary may direct, in writing, the holder of a wildlife licence to mark wildlife in that licence holder's possession—
 - (a) if the wildlife is diseased; or
 - (b) if the wildlife is listed in any Schedule; or
 - (c) if the Secretary believes, on reasonable grounds, that the wildlife is held or was held, acquired or disposed of in contravention of the Act or a corresponding law of another State or of a Territory of the Commonwealth.
- (2) The Secretary may specify the type of mark to be used for marking the wildlife.
- (3) A person who possesses wildlife which the Secretary has directed to be marked must—
 - (a) mark the wildlife with the mark provided by the Secretary using a method approved by the Secretary; and
 - (b) ensure the wildlife remains marked while that wildlife is in his or her possession.

Penalty: 20 penalty units.

26. Wildlife to be bought, sold or disposed of only at specified premises

The holder of a wildlife licence must not buy, sell or dispose of wildlife except from the premises specified on one of the licences of the parties involved in the buying, selling or disposing of the wildlife, unless the transaction is—

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

r. 27

- (a) specifically approved by the Secretary in writing; or
- (b) with an exempt person.

Penalty: 20 penalty units.

27. Records and returns

- (1) All record books and return forms supplied by the Secretary remain the property of the Secretary.
- (2) The holder of a wildlife licence must maintain complete, accurate, legible and up-to-date entries in the record book supplied by the Secretary.

Penalty: 20 penalty units.

- (3) The holder of a wildlife licence must make each entry in the record book as soon as practicable after any occurrence of an event that is required by the Secretary to be entered into the record book.

Penalty: 20 penalty units.

- (4) The holder of a wildlife licence must produce the record book for inspection when requested by an authorised officer.

Penalty: 20 penalty units.

- (5) The holder of a wildlife licence must surrender a record book or return form at the written direction of the Secretary.

Penalty: 20 penalty units.

- (6) The holder of a wildlife licence must pay the administration fee of 1 fee unit for additional record books or return forms if the record books or return forms have been lost or damaged.

Penalty: 20 penalty units.

Reg. 27(6)
amended by
S.R. No.
88/2004
reg. 4(Sch. 1
item 53.1).

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

- (7) The holder of a wildlife licence must enter clearly and legibly and in ink all the information required by the Secretary into the record book.

Penalty: 20 penalty units.

- (8) The holder of a wildlife licence in the event of the theft of any wildlife must ensure that—
- (a) the theft is recorded in the record book; and
 - (b) a copy of the police report is retained; and
 - (c) the copy of the police report is shown to an authorised officer when requested.

Penalty: 20 penalty units.

- (9) The holder of a wildlife licence must send all return forms to the Secretary at the times specified in the licence.

Penalty: 20 penalty units.

- (10) The holder of a wildlife licence must ensure that—
- (a) return forms are completed clearly, accurately and legibly and in ink using a return form supplied by the Secretary; and
 - (b) a legible and accurate copy of each return form is kept by the licence holder and shown to an authorised officer upon request.

Penalty: 20 penalty units.

- (11) The holder of a wildlife licence must ensure that the record book and copies of return forms are kept in a safe and secure place at the premises specified in the licence.

Penalty: 20 penalty units.

Wildlife Regulations 2002
S.R. No. 50/2002

Part 4—Regulations Applying to Wildlife Licences

r. 28

- (12) The holder of a wildlife licence must notify the Secretary in writing immediately upon becoming aware of the loss of or damage to any record book, return form, or copy of a return form.

Penalty: 20 penalty units.

- (13) The holder of a wildlife licence must not remove, or permit to be removed, any page from any record book or from any collection of return forms unless authorised by the licence.

Penalty: 20 penalty units.

- (14) The holder of a wildlife licence must not deface, erase, or obliterate, or permit any person to deface, erase, or obliterate any entry in a record book or return form or copy of a return form.

Penalty: 20 penalty units.

28. Condition of wildlife licence to report theft

It is a condition of every wildlife licence that the holder of the licence must report the theft of any wildlife to the Police within 48 hours of becoming aware of the theft.

PART 5—PRIVATE WILDLIFE LICENCES

29. Entitlements of a Private Wildlife (Basic) Licence

A Private Wildlife (Basic) Licence authorises the holder of that licence to possess, keep, breed, buy, sell and dispose of wildlife listed in Schedules 3 and 8 for recreational purposes.

30. Entitlements of a Private Wildlife (Advanced) Licence

A Private Wildlife (Advanced) Licence authorises the holder of that licence to possess, keep, breed, buy, sell and dispose of wildlife listed in Schedules 3, 4 and 8 for recreational purposes.

31. Conditions of any Private Wildlife (Basic) Licence and any Private Wildlife (Advanced) Licence

It is a condition of any Private Wildlife (Basic) Licence and of any Private Wildlife (Advanced) Licence that the licence holder must not—

- (a) sell or dispose of any wildlife which the licence holder bought or acquired that has not been in the possession of the licence holder for at least six months without obtaining the prior written approval of the Secretary; or
- (b) sell or dispose of wildlife from a shop or business premises; or
- (c) buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or

Wildlife Regulations 2002
S.R. No. 50/2002

Part 5—Private Wildlife Licences

r. 32

- (iii) has the approval of the Secretary; or
- (d) sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or
 - (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary; or
- (e) in the case of wildlife listed in Schedule 8, sell or dispose of that wildlife to any person unless that person is—
 - (i) the holder of a Private Wildlife (Basic) Licence; or
 - (ii) the holder of a Private Wildlife (Advanced) Licence; or
 - (iii) a person approved in writing by the Secretary; or
- (f) possess or keep more than 10 specimens of wildlife listed in Schedule 8, other than specimens of those wildlife that are less than four weeks old or the eggs of those wildlife.

32. Entitlements of a Private Wildlife (Specimen Category) Licence

A Private Wildlife (Specimen Category) Licence authorises the licence holder to possess, keep, buy, sell and dispose of prepared or mounted specimens of dead wildlife for recreational purposes.

Wildlife Regulations 2002
S.R. No. 50/2002

Part 5—Private Wildlife Licences

33. Conditions of a Private Wildlife (Specimen Category) Licence

It is a condition of a Private Wildlife (Specimen Category) Licence that the licence holder must—

- (a) notify the Secretary in writing of the following details within 14 days of buying, acquiring, selling or disposing of any wildlife held under the licence—
 - (i) the taxon of the wildlife bought, sold or disposed of; and
 - (ii) the number of specimens of wildlife of each taxon bought, sold or disposed of; and
 - (iii) the identification number of the mark belonging to each wildlife specimen bought, sold or disposed of that is marked; and
 - (iv) the licence number, name and address of any person to whom the wildlife being bought, sold or disposed of is being or has been transferred from or to; and
 - (v) if not sold or disposed of to a licence holder, the means of disposal of the wildlife; and
- (b) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and

Wildlife Regulations 2002
S.R. No. 50/2002

Part 5—Private Wildlife Licences

r. 33

-
- (c) not sell or dispose of wildlife to a person unless that person—
- (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or
 - (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary.
-

PART 6—COMMERCIAL WILDLIFE LICENCES**Division 1—Wildlife Controller Licences****34. Entitlements of a Wildlife Controller Licence Type 1**

A Wildlife Controller Licence Type 1 authorises the licence holder to take wildlife from the wild and to destroy, dispose of or sell that wildlife in accordance with the conditions of the licence for the purpose of removing danger to persons or property from that wildlife.

35. Entitlements of a Wildlife Controller Licence Type 2

A Wildlife Controller Licence Type 2 authorises the licence holder to take reptiles listed in Schedule 7 from the wild and to dispose of or destroy those reptiles in accordance with the conditions of the licence for the purpose of removing danger to persons from reptiles.

36. Conditions of any Wildlife Controller Licence Type 1 and any Wildlife Controller Licence Type 2

- (1) It is a condition of any Wildlife Controller Licence Type 1 and of any Wildlife Controller Licence Type 2 that the licence holder must—
 - (a) not take or destroy wildlife on particular land without the consent of the owner or occupier of that land; and
 - (b) only take or destroy those taxa listed in Schedule 7 and specified in the licence; and
 - (c) use only the type of equipment specified in the licence for taking or destroying wildlife; and
 - (d) only sell or dispose of wildlife to the persons or organisations specified in the licence or as approved in writing by the Secretary; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 36

-
- (e) only dispose of wildlife carcasses in the manner specified in the licence; and
 - (f) ensure that the owner or occupier of the land who employs the licence holder to take or destroy wildlife listed in Schedule 7, holds an authorisation issued under Part IIIA of the Act unless—
 - (i) the wildlife is declared by the Governor in Council to be unprotected in that area; or
 - (ii) the licence holder is only taking or destroying Common Brush-tail Possums which are causing damage or creating a nuisance to a residential or commercial building; or
 - (iii) the licence holder is only taking or destroying reptiles; and
 - (g) not display wildlife to the public either directly or indirectly, nor display to the public the operations undertaken in accordance with the licence; and
 - (h) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
 - (i) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder.
- (2) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Controller Licence Type 1 or a Wildlife Controller Licence Type 2, means the holder of an Assistant's Licence in which the name and number
-

of the holder of the Wildlife Controller Licence is specified.

37. Condition of a Wildlife Controller Licence Type 1 which authorises the taking of certain birds from the wild

It is a condition of every Wildlife Controller Licence Type 1 which authorises the taking of Sulphur-crested Cockatoos, Galahs and Long-billed Corellas from the wild for sale or disposal that the licence holder must—

- (a) in the case of any bird taken under the licence, place a mark provided by the Secretary on the bird at the place at which the bird is taken and must not move the bird or allow the bird to be moved from that site until so marked; and
- (b) pay to the Secretary the appropriate royalty specified in regulation 57 for each bird taken.

Division 2—Wildlife Dealer Licences

38. Entitlements of a Wildlife Dealer Licence Type 1

A Wildlife Dealer Licence Type 1 authorises the licence holder to possess, keep, breed, buy, sell and dispose of the taxa of wildlife listed in Schedules 3 and 5 for the purposes of dealing in such wildlife.

39. Entitlements of a Wildlife Dealer Licence Type 2

A Wildlife Dealer Licence Type 2 authorises the holder to possess, keep, breed, buy, sell and dispose of the taxa of wildlife listed in Schedule 3, Part A of Schedule 4 and Schedules 5 and 8 for the purposes of dealing in such wildlife.

40. Conditions of any Wildlife Dealer Licence Type 1 and any Wildlife Dealer Licence Type 2

- (1) It is a condition of any Wildlife Dealer Licence Type 1 and of any Wildlife Dealer Licence Type 2 that the licence holder must—
- (a) possess, keep, buy, sell and dispose of only living wildlife; and
 - (b) display at all times on each enclosure at the premises specified in the licence which contains wildlife, a sign which gives the following details—
 - (i) the common name as used in the Schedules of all the taxa of wildlife contained in that enclosure; and
 - (ii) the details of the category of licence that must be held by any purchaser of that wildlife; and
 - (c) provide to each person who buys or accepts wildlife from the licence holder, printed information that has been approved by the Secretary that outlines the requirements for the proper feeding, care, housing and welfare of the taxa of wildlife bought or accepted; and
 - (d) not charge a fee for the display of wildlife to the public; and
 - (e) despite paragraph (a) in the case of wildlife which dies while in the possession of the licence holder only—
 - (i) sell or dispose of the dead wildlife to the holder of a Wildlife Taxidermist Type 2; or
 - (ii) dispose of the dead wildlife by incineration or burial; and

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

- (f) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
- (g) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
- (h) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and
- (i) not buy or acquire wildlife listed in Part B of Schedule 5 from a person unless that person produces proof of his or her identity; and
- (j) when buying wildlife listed in Part B of Schedule 5, enter all details of the transaction onto the form approved for that purpose by the Secretary; and
- (k) not sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 41

- (ii) is an exempt person for the purposes of buying or acquiring any such wildlife;
or
 - (iii) has the approval of the Secretary.
- (2) Despite sub-regulation (1)(f), a person who cares for wildlife on behalf of the licence holder may do so without an Assistant's Licence if the person is acting under the immediate supervision of the licence holder or the holder of an Assistant's Licence.
- (3) The holder of a Wildlife Dealer Licence Type 1 or a Wildlife Dealer Licence Type 2 may display the wildlife referred to in regulations 38 and 39 to the public at premises other than those specified in the licence for the purpose of promoting the licence holder's business, after having obtained written approval from the Secretary.
- (4) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Dealer Licence Type 1 or a Wildlife Dealer Licence Type 2, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Dealer Licence is specified.

Division 3—Wildlife Demonstrator Licences**41. Entitlements of a Wildlife Demonstrator Licence**

A Wildlife Demonstrator Licence authorises the licence holder—

- (a) for the purpose of promoting an understanding of the ecology and conservation of wildlife, to display any taxon of wildlife listed in Schedule 3, 4 or 5 or specified by the Secretary in the licence—

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

- (i) to the public in travelling displays or demonstrations or other temporary displays or demonstrations; and
- (ii) at any location within Victoria; and
- (b) to provide wildlife of any taxon listed in Schedule 3, 4 or 5, or specified by the Secretary in the licence, for use in commercial films with, in the case of each use, the prior written approval of the Secretary; and
- (c) for the purposes of paragraph (a) or (b), to possess, keep, buy, sell or dispose of any such wildlife.

42. Conditions of a Wildlife Demonstrator Licence

- (1) It is a condition of a Wildlife Demonstrator Licence that the licence holder must—
 - (a) in the case of a licence issued for more than three months, give at least 5 demonstrations involving wildlife to the public in each six month period ending on 31 March and 30 September in each year; and
 - (b) not possess more than 10 self sufficient specimens and progeny of those specimens which are not self sufficient, of any one taxon of wildlife bird, wildlife mammal, wildlife reptile or adult wildlife amphibian; and
 - (c) not sell or dispose of any wildlife which the licence holder bought or acquired that has been in the possession of the licence holder for less than 6 months, without the prior written approval of the Secretary; and

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

r. 42

- (d) obtain prior written approval from the Secretary to accept as a gift, wildlife from any person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; and
- (e) in the case of wildlife which dies while in the possession of the licence holder only—
 - (i) sell or dispose of the dead wildlife to the holder of a Wildlife Taxidermist Licence Type 2; or
 - (ii) dispose of the dead wildlife by incineration or burial; or
 - (iii) retain the dead wildlife; and
- (f) display wildlife in circumstances that minimise the chance of escape of any wildlife; and
- (g) display wildlife in circumstances that minimise the risk of injury to any person; and
- (h) not allow dangerous or venomous wildlife to be handled by persons other than the licence holder or a person who is the holder of a relevant Assistant's Licence, without obtaining the prior written approval of the Secretary; and
- (i) ensure that wildlife held in conjunction with this licence is under the direct supervision of the licence holder or a person who is the holder of a relevant Assistant's Licence at all times while the wildlife is being demonstrated; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 42

- (j) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
 - (k) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
 - (l) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and
 - (m) not sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or
 - (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary.
- (2) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Demonstrator Licence, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Demonstrator Licence is specified.

Division 4—Wildlife Displayer Licences**43. Entitlements of a Wildlife Displayer Licence**

A Wildlife Displayer Licence authorises the licence holder—

- (a) for the purposes of promoting conservation of or providing education about wildlife, to display wildlife—
 - (i) in permanent and fixed facilities at the premises specified in the licence where—
 - (A) the enclosure is an integral part of the display; and
 - (B) any display of wildlife has a clear conservation theme and is designed to present information on the ecological role of the wildlife being displayed; and
 - (ii) at other sites in Victoria; and
- (b) to provide wildlife for use in commercial films with the prior written approval of the Secretary; and
- (c) for the purposes of paragraph (a) or (b), to possess, keep, breed, sell, buy or dispose of wildlife.

44. Conditions of a Wildlife Displayer Licence

- (1) It is a condition of every Wildlife Displayer Licence that the licence holder must—
 - (a) open the display at the premises specified in the licence to the public for at least six hours per day during the daylight hours of at least 50 days in each six month period ending on 31 March and 30 September in each year; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

- (b) immediately, clearly, legibly and in ink, enter the date and time of opening and closing of public access to the display in a log book or diary kept solely for this purpose; and
- (c) obtain prior written approval from the Secretary to accept as a gift wildlife from any person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; and
- (d) in the case of wildlife which dies while in the possession of the licence holder only—
 - (i) sell or dispose of the dead wildlife to the holder of a Wildlife Taxidermist Licence Type 2; or
 - (ii) dispose of the dead wildlife by incineration or burial; or
 - (iii) retain the dead wildlife; and
- (e) ensure that the entire perimeter of the premises specified in the licence is enclosed by a fence that is of a sufficient height, strength and design that will prevent the escape of any wildlife held on the premises and prevent entry of persons not authorised by the licence holder; and
- (f) display wildlife in circumstances that minimise the chance of escape of any wildlife; and
- (g) display wildlife in circumstances that minimise the risk of injury to any person; and

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

r. 44

- (h) not allow dangerous or venomous wildlife to be handled by persons other than the licence holder or a person who is the holder of a relevant Assistant's Licence without obtaining the prior written approval of the Secretary; and
- (i) ensure that the wildlife display is under the direct supervision of the licence holder or a person who is the holder of a relevant Assistant's Licence at all times whilst the display is open to the public; and
- (j) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
- (k) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
- (l) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and
- (m) not sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 45

- (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary; and
 - (n) obtain the approval of the Secretary to any new enclosures or any change to an existing enclosure that might impact on the welfare of the wildlife, before commencing construction of that enclosure.
- (2) Despite sub-regulation (1)(j), a person who cares for wildlife on behalf of the licence holder may do so without an Assistant's Licence if the person is acting under the immediate supervision of the licence holder or the holder of an Assistant's Licence.
- (3) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Displayer Licence, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Displayer Licence is specified.

Division 5—Wildlife Producer Licences**45. Entitlements of a Wildlife Producer Licence Type 1**

A Wildlife Producer Licence Type 1 authorises the licence holder, for the purposes of hunting, to possess, keep, breed, buy, sell, dispose of and destroy, any birds that are of a taxon of wildlife listed in Part A of Schedule 6 and that have been bred in captivity for the purpose of hunting.

46. Entitlements of a Wildlife Producer Licence Type 2

A Wildlife Producer Licence Type 2 authorises the licence holder to possess, keep, buy, sell, dispose of, and process dead wildlife, if the wildlife is—

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

r. 47

- (a) of the taxa listed in Part B of Schedule 6 and has been obtained from a source approved in writing for the purpose by the Secretary; or
- (b) of the taxa listed in Schedule 8 and has been obtained from the holder of a Wildlife Producer Licence Type 3—

for the purpose of providing wildlife products for sale.

47. Entitlements of a Wildlife Producer Licence Type 3

A Wildlife Producer Licence Type 3 authorises the licence holder for the purpose of farming any wildlife that is of the taxa listed in Schedule 8 to—

- (a) possess, keep, breed, buy, sell, dispose of, display, destroy and process any wildlife that is of the taxa listed in Schedule 8 and that is specified in the licence, and that has been bred in captivity or obtained from a source approved in writing by the Secretary; and
- (b) dispose of infertile eggs of any wildlife that is of the taxa listed in Schedule 8 and that is specified in the licence to any person; and
- (c) display any wildlife that is of the taxa listed in Schedule 8 and that is specified in the licence at sites other than the premises specified in the licence.

48. Conditions of a Wildlife Producer Licence Type 1

- (1) It is a condition of a Wildlife Producer Licence Type 1 that the licence holder must—
 - (a) not process for the purpose of preparing and mounting, or restoring, parts or complete specimens of wildlife in a manner which could be regarded as taxidermy; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

- (b) not rent, hire, or use for promotional purposes, parts or complete specimens of wildlife other than at the premises specified in the licence; and
- (c) ensure that any person hunting game on the premises specified in the licence is the holder of an appropriate current licence to hunt that game under the Wildlife (Game) Regulations 2001; and
- (d) ensure that the hunting area of the premises specified in the licence is under the direct supervision of the licence holder or the holder of a relevant Assistant's Licence at all times while any activities relating to hunting are taking place; and
- (e) ensure that the wildlife has been bred and raised by the licence holder or has been bred in captivity; and
- (f) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
- (g) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
- (h) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 48

-
- (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and
 - (i) not sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or
 - (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary; and
 - (j) not hunt in an area in the premises specified in the licence that is less than 100 hectares; and
 - (k) not release wildlife for hunting other than in accordance with regulation 45.
- (2) Despite sub-regulation (1)(f), a person who cares for wildlife on behalf of the licence holder may do so without an Assistant's Licence if the person is acting under the immediate supervision of that licence holder or the holder of an Assistant's Licence.
- (3) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Producer Licence Type 1, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Producer Licence is specified.
-

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

r. 49

49. Conditions of a Wildlife Producer Licence Type 2

- (1) It is a condition of a Wildlife Producer Licence Type 2 that the licence holder must—
- (a) not process for the purpose of preparing and mounting, or restoring, parts or complete specimens of wildlife in a manner which could be regarded as taxidermy; and
 - (b) not rent, hire, or use for promotional purposes, parts or complete specimens of wildlife; and
 - (c) ensure that the wildlife has been bred in captivity or taken in accordance with this Act or the relevant law of another State or Territory of the Commonwealth; and
 - (d) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
 - (e) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
 - (f) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 50

- (g) not sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife; or
 - (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary.

- (2) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Producer Licence Type 2, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Producer Licence is specified.

50. Conditions of a Wildlife Producer Licence Type 3

- (1) It is a condition of a Wildlife Producer Licence Type 3 that the licence holder must—
 - (a) not process for the purpose of preparing and mounting, or restoring, parts or complete specimens of wildlife in a manner which could be regarded as taxidermy; and
 - (b) not rent or hire parts or complete specimens of wildlife; and
 - (c) not buy or acquire wildlife from any person other than—
 - (i) the holder of a Wildlife Producer Licence Type 3; or
 - (ii) the holder of a Wildlife Dealer Licence Type 2—

unless the licence holder has the prior written approval of the Secretary; and

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 50

-
- (d) not sell or dispose of wildlife to any person other than—
- (i) the holder of a Wildlife Producer Licence Type 3; or
 - (ii) the holder of a Wildlife Dealer Licence Type 2; or
 - (iii) the holder of a Wildlife Producer Licence Type 2 or a Wildlife Taxidermist Licence Type 2 if the wildlife is dead; or
 - (iv) the holder of a Private Wildlife (Basic) Licence or Private Wildlife (Advanced) Licence; or
 - (v) an exempt person for the purposes of buying or acquiring any such wildlife—
- unless the licence holder has the prior written approval of the Secretary; and
- (e) ensure that the premises specified in the licence are under the direct supervision of the licence holder or the holder of a relevant Assistant's Licence at all times while any activities relating to destroying and processing of wildlife are taking place; and
- (f) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
- (g) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
-

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 6—Commercial Wildlife Licences

r. 51

- (h) ensure that wildlife are held in enclosures and at stocking densities that comply with the minimum requirements, if any, that are specified in the licence; and
 - (i) ensure that any wildlife destroyed under the licence is destroyed humanely so as to cause sudden and painless death; and
 - (j) ensure that any facilities for destroying or processing wildlife are situated on the premises specified in the licence in such a place and manner that wildlife held under the licence elsewhere on those premises, are not disturbed by those activities.
- (2) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Producer Licence Type 3, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Producer Licence is specified.

Division 6—Wildlife Taxidermist Licences**51. Entitlements of a Wildlife Taxidermist Licence Type 1**

A Wildlife Taxidermist Licence Type 1 authorises the licence holder—

- (a) to possess, keep, buy, sell, dispose of and process for the purpose of preserving, preparing and mounting, and restoring, parts or complete specimens of the dead wildlife that are of the taxa listed in Parts A and C of Schedule 6 for the purpose of preserving specimens of those taxa of wildlife and;
- (b) to provide parts or complete specimens of dead wildlife that are of the taxa listed in Parts A and C of Schedule 6 for use in commercial films or theatrical productions

with the prior written approval of the Secretary.

52. Entitlements of a Wildlife Taxidermist Licence Type 2

A Wildlife Taxidermist Licence Type 2 authorises the licence holder—

- (a) to possess, keep, buy, sell, dispose of and process for the purpose of preserving, preparing and mounting, and restoring, parts or complete specimens of dead wildlife—
 - (i) that are of the taxa listed in Schedules 3, 4 and 5; or
 - (ii) that are of the taxa listed in Schedule 8 and that are obtained from the holder of a Wildlife Producer Licence Type 3; or
 - (iii) that are approved in writing by the Secretary—

for the purposes of preserving specimens of those taxa of wildlife; and
- (b) to provide parts or complete specimens of dead wildlife that are of the taxa referred to in paragraph (a)(i) and (ii) or approved in writing by the Secretary for use in commercial films or theatrical productions with the prior written approval of the Secretary.

53. Conditions of any Wildlife Taxidermist Licence Type 1 and any Wildlife Taxidermist Licence Type 2

- (1) It is a condition of any Wildlife Taxidermist Licence Type 1 or any Wildlife Taxidermist Licence Type 2 that the licence holder must—
 - (a) not charge a fee for the display of wildlife to the public; and

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

r. 53

-
- (b) not employ any person to undertake any activities involving wildlife for which a licence is required on behalf of the licence holder unless that person is the holder of a relevant Assistant's Licence; and
 - (c) ensure that the holder of a relevant Assistant's Licence is fully aware of the precise activities which he or she can undertake on behalf of the licence holder; and
 - (d) not buy or acquire wildlife from a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to sell or dispose of that wildlife; or
 - (ii) is an exempt person for the purposes of selling or disposing of any such wildlife; or
 - (iii) has the approval of the Secretary; and
 - (e) not sell or dispose of wildlife to a person unless that person—
 - (i) holds an appropriate wildlife licence that authorises that person to buy or acquire that wildlife;
 - (ii) is an exempt person for the purposes of buying or acquiring any such wildlife; or
 - (iii) has the approval of the Secretary.
- (2) The holder of any Wildlife Taxidermist Licence Type 1 or any Wildlife Taxidermist Licence Type 2 may display the wildlife referred to in regulations 51 and 52 to the public at premises other than those specified in the licence for the purpose of promoting the licence holder's
-

business, after having obtained written approval from the Secretary.

- (3) In this regulation "**holder of a relevant Assistant's Licence**", in relation to the holder of a Wildlife Taxidermist Licence Type 1 or Wildlife Taxidermist Licence Type 2, means the holder of an Assistant's Licence in which the name and number of the holder of the Wildlife Taxidermist Licence is specified.

Division 7—General

54. Displaying of signs of condition of certain Commercial Wildlife Licences

It is a condition of a Commercial Wildlife Licence, except a Wildlife Controller Licence Type 1 or a Wildlife Controller Licence Type 2, that the licence holder must—

- (a) at all times display a sign or signs stating the following words—
 - (i) "The wildlife on these premises are possessed under a licence issued under the **Wildlife Act 1975**"; and
 - (ii) "Wildlife may not be taken from the wild without a licence, permit or authority issued under the **Wildlife Act 1975**"; and
- (b) ensure that signs which are required by paragraph (a)—
 - (i) are positioned at all entrances to the premises specified in the licence; and
 - (ii) are in a position that is obvious and easily readable for all visitors to the premises or wildlife display or wildlife demonstration; and

Wildlife Regulations 2002
S.R. No. 50/2002

Part 6—Commercial Wildlife Licences

r. 54

-
- (iii) have a white background, with the lettering on such signs in black block type of not less than 30 millimetres in height; and
 - (iv) are of a permanent nature; and
 - (v) are maintained in good condition so that they are easily readable at all times.
-

*Wildlife Regulations 2002**S.R. No. 50/2002*

Part 7—Assistant's Licence

PART 7—ASSISTANT'S LICENCE**55. Assistant's Licence**

- (1) An Assistant's Licence authorises a person who is the employee of the holder of a Commercial Wildlife Licence to undertake any activity authorised by the Commercial Wildlife Licence held by the employer, except taking wildlife from the wild, while engaging in conduct within the scope of his or her actual or apparent authority as an employee of that licence holder.
- (2) It is a condition of every Assistant's Licence that the licence holder must—
 - (a) only undertake activities involving wildlife on behalf of the holder of the Commercial Wildlife Licence whose name and licence number are specified on the Assistant's Licence; and
 - (b) notify the Secretary in writing and return the Assistant's Licence when the licence holder ceases to be an assistant to the holder of the Commercial Wildlife Licence whose name and licence number are specified on the Assistant's Licence; and
 - (c) return the Assistant's Licence to the Secretary if the Commercial Wildlife Licence of the licence holder whose name and licence number are specified in the Assistant's Licence expires, is suspended or is cancelled under Part 3 of the Act.
- (3) An Assistant's Licence ceases if the Commercial Wildlife Licence of the licence holder whose name and licence number are specified in the Assistant's Licence, expires, is suspended or is cancelled under Part 3 of the Act.

Wildlife Regulations 2002
S.R. No. 50/2002

Part 8—Fees

r. 56

PART 8—FEES**56. Licence fees**

For the purposes of section 22(4) of the Act the prescribed fee for a category of wildlife licence and, where the case so requires, period of time set out in Column 1 of each of the following Tables is the fee set out opposite that category and, where the case so requires, period of time in Column 2 of those Tables—

TABLE 1

Column 1 <i>Licence Category</i>	Column 2 <i>Annual Fee</i>
Private Wildlife (Basic) Licence	4.4 fee units
Private Wildlife (Advanced) Licence	12 fee units
Commercial Wildlife (Wildlife Dealer) Licence Type 1	60 fee units
Commercial Wildlife (Wildlife Dealer) Licence Type 2	150 fee units
Commercial Wildlife (Wildlife Taxidermist) Licence Type 1	20 fee units
Commercial Wildlife (Wildlife Taxidermist) Licence Type 2	60 fee units
Commercial Wildlife (Wildlife Controller) Licence Type 1	50 fee units
Commercial Wildlife (Wildlife Controller) Licence Type 2	10 fee units
Commercial Wildlife (Wildlife Displayer) Licence	65 fee units
Commercial Wildlife (Wildlife Producer) Licence Type 1	50 fee units
Commercial Wildlife (Wildlife Producer) Licence Type 2	50 fee units
Assistant's Licence	2 fee units

Part 10—Transitional Provisions

PART 10—TRANSITIONAL PROVISIONS

58. Transitional provisions

- (1) A person who immediately before the commencement of these Regulations was the holder of—
 - (a) a Private Wildlife (Category One) Licence;
or
 - (b) a Private Wildlife (Category Two) Licence—
 is deemed to hold, subject to these Regulations, a Private Wildlife (Basic) Licence until the date on which the Private Wildlife (Category One) Licence or Private Wildlife (Category Two) Licence would have expired if the Wildlife Regulations 1992, as in force immediately before the commencement of these Regulations, had continued in operation.
- (2) A person who immediately before the commencement of these Regulations was the holder of a Private Wildlife (Category Three) Licence is deemed to hold, subject to these Regulations, a Private Wildlife (Advanced) Licence until the date on which the Private Wildlife (Category Three) Licence would have expired if the Wildlife Regulations 1992, as in force immediately before the commencement of these Regulations, had continued in operation.

Eastern Three-lined Skink	<i>Pseudemoia duperreyi</i>
Bougainville's Skink	<i>Lerista bougainvillii</i>
Burrowing Skink	<i>Lerista picturata</i>
Boulenger's Skink	<i>Morethia boulengeri</i>
Spencer's Skink	<i>Pseudemoia spenceri</i>
Ocellated Skink	<i>Ctenotus pantherinus</i>
Regal Striped Skink	<i>Ctenotus regius</i>
Major Skink	<i>Egernia frerei</i>
Hosmer's Skink	<i>Egernia hosmeri</i>
King's Skink	<i>Egernia kingii</i>
Land Mullet	<i>Egernia major</i>
No Common Name	<i>Egernia margaretae</i>
Tree Skink	<i>Egernia striolata</i>
Narrow-banded Sand Swimmer	<i>Eremiascincus fasciolatus</i>
Ridge-tailed Monitor	<i>Varanus acanthurus</i>
Pygmy Mulga Monitor	<i>Varanus gilleni</i>
Mangrove Monitor	<i>Varanus indicus</i>
Merten's Water Monitor	<i>Varanus mertensi</i>
Storr's Monitor	<i>Varanus storri</i>
Black-headed Monitor	<i>Varanus tristis</i>
Lace Monitor	<i>Varanus varius</i>
Sand Monitor	<i>Varanus gouldii</i>
Burton's Snake-Lizard	<i>Lialis burtonis</i>
Common Scaly-foot	<i>Pygopus lepidopodus</i>
Hooded Scaly-foot	<i>Pygopus nigriceps</i>
Pink-tongued Lizard	<i>Hemisphaeriodon gerrardii</i>
Centralian Blue-tongued Lizard	<i>Tiliqua multifasciata</i>
Western Blue-tongued Lizard	<i>Tiliqua occipitalis</i>
Shingle-Back Lizard	<i>Trachydosaurus rugosus</i>

Wildlife Regulations 2002
S.R. No. 50/2002

Sch. 3

Children's Python	<i>Antaresia childreni</i>
Spotted Python	<i>Antaresia maculosus</i>
Large Blotched Python	<i>Antaresia stimsoni</i>
Water Python	<i>Liasis fuscus</i>
Olive Python	<i>Liasis olivaceus</i>
Black-headed Python	<i>Aspidites melanocephalus</i>
Amethystine Python	<i>Morelia amethystina</i>
Carpet or Diamond Python	<i>Morelia spilota</i>
Centralian Carpet Python	<i>Morelia bredli</i>
Freshwater Snake	<i>Tropidonophis mairii</i>
Common or Green Tree Snake	<i>Dendrelaphis punctulata</i>
Slatey-grey Snake	<i>Stegonotus cucullatus</i>
Northern Tree Snake	<i>Dendrelaphis calligastera</i>
Kreff's River Turtle	<i>Emydura krefftii</i>
Southern Legless Lizard	<i>Delma australis</i>
Olive Legless Lizard	<i>Delma inornata</i>
Amphibians	
Water-holding Frog	<i>Cyclorana platycephala</i>
Eastern Dwarf Tree Frog	<i>Litoria fallax</i>
Dainty Green Tree Frog	<i>Litoria gracilentia</i>
Giant Tree Frog	<i>Litoria infrafrenata</i>
Whistling Tree Frog	<i>Litoria verreauxii</i>
Peron's Tree Frog	<i>Litoria peronii</i>
Green Tree Frog	<i>Litoria caerulea</i>
Leseur's Frog	<i>Litoria lesueuri</i>
Blue Mountains Tree Frog	<i>Litoria citropa</i>
Leaf Green Tree Frog	<i>Litoria phyllochroa</i>
Brown Striped Frog	<i>Limnodynastes peronii</i>
Great Barred Frog	<i>Mixophyes fasciolatus</i>
Giant Barred Frog	<i>Mixophyes iteratus</i>
Haswell's Frog	<i>Paracrinia haswelli</i>
Southern Smooth Froglet	<i>Geocrinia laevis</i>
Common Spadefoot Toad	<i>Neobatrachus sudelli</i>
Mammals	
Common Brushtail Possum	<i>Trichosurus vulpecula</i>
Common Ringtail Possum	<i>Pseudocheirus peregrinus</i>
Sugar Glider	<i>Petaurus breviceps</i>
Fat-tailed Dunnart	<i>Sminthopsis crassicaudata</i>
Kowari	<i>Dasyuroides byrnei</i>
Tammar Wallaby	<i>Macropus eugenii</i>
Red-necked Wallaby	<i>Macropus rufogriseus</i>
Swamp Wallaby	<i>Wallabia bicolor</i>

Wildlife Regulations 2002
S.R. No. 50/2002

SCHEDULE 4

Regulations 23, 30, 39, 41 and 52

**TAXA OF WILDLIFE (BIRDS, REPTILES, AMPHIBIANS AND
MAMMALS) THAT MAY BE HELD BY HOLDERS OF THE
APPROPRIATE LICENCE FOR PRIVATE OR CERTAIN
COMMERCIAL PURPOSES**

PART A

Birds

Long-billed Black-Cockatoo	<i>Calyptorhynchus baudinii</i>
Short-billed Black-Cockatoo	<i>Calyptorhynchus latirostris</i>
Yellow-tailed Black-Cockatoo	<i>Calyptorhynchus funereus</i>
Red-tailed Black-Cockatoo	<i>Calyptorhynchus banksii banksii</i>
Gang-gang Cockatoo	<i>Callocephalon fimbriatum</i>
Pink (Major Mitchell) Cockatoo	<i>Cacatua leadbeateri</i>
Swift Parrot	<i>Lathamus discolor</i>
Naretha Blue-bonnet Parrot	<i>Northiella haematogaster narethae</i>

PART B

Birds

Double-eyed Fig-Parrot	<i>Cyclopsitta diophthalma</i>
Freckled Duck	<i>Stictonetta naevosa</i>
Cotton Pygmy-Goose	<i>Nettapus coromandelianus</i>
Green Pygmy-Goose	<i>Nettapus pulchellus</i>
Blue-billed Duck	<i>Oxyura australis</i>
Musk Duck	<i>Biziura lobata</i>
Superb Fruit-Dove	<i>Ptilinopus superbus</i>
Wompoo Fruit-Dove	<i>Ptilinopus magnificus</i>
Superb Fairy-wren	<i>Malurus cyaneus</i>
Splendid Fairy-wren	<i>Malurus splendens</i>
Variegated Fairy-wren	<i>Malurus lamberti</i>
White-winged Fairy-wren	<i>Malurus leucopterus</i>
Spotted Pardalote	<i>Pardalotus punctatus</i>
Beautiful Firetail	<i>Stagonopleura bella</i>
Red-eared Firetail	<i>Stagonopleura oculata</i>
Scarlet Honeyeater	<i>Myzomela sanguinolenta</i>
Crimson Chat	<i>Epthianura tricolor</i>

Wildlife Regulations 2002
S.R. No. 50/2002

Sch. 4

White-fronted Chat	<i>Epthianura albifrons</i>
White-quilled Rock Pigeon	<i>Petrophassa albipennis</i>
Chestnut-quilled Rock Pigeon	<i>Petrophassa rufipennis</i>
Reptiles	
Saltwater Crocodile	<i>Crocodylus porosus</i>
Freshwater Crocodile	<i>Crocodylus johnstoni</i>
Brook's Striped Skink	<i>Ctenotus brooksi</i>
Schomburgk's Skink	<i>Ctenotus schomburgkii</i>
Fat-tailed Gecko	<i>Diplodactylus conspicillatus</i>
Jewelled Gecko	<i>Diplodactylus elderi</i>
Giant Cave Gecko	<i>Pseudothecadactylus lindneri</i>
Beaked Gecko	<i>Rhynchoedura ornata</i>
Frilled Lizard	<i>Chlamydosaurus kingii</i>
Spencer's Monitor	<i>Varanus spenceri</i>
Southern Angle-headed Dragon	<i>Hypsilurus spinipes</i>
Woma Python	<i>Aspidites ramsayi</i>
Green Tree Python	<i>Chondropython viridis</i>
Common Death Adder	<i>Acanthophis antarcticus</i>
Northern Death Adder	<i>Acanthophis praelongus</i>
Desert Death Adder	<i>Acanthophis pyrrhus</i>
Copperhead	<i>Australaps superbus</i>
Stephen's Banded Snake	<i>Hoplocephalus stephensii</i>
Black Tiger Snake	<i>Notechis ater</i>
Tiger Snake	<i>Notechis scutatus</i>
Taipan	<i>Oxyuranus scutellatus</i>
Fierce Snake	<i>Oxyuranus microlepidotus</i>
Mulga Snake	<i>Pseudechis australis</i>
Collett's Snake	<i>Pseudechis colletti</i>
Spotted Black Snake	<i>Pseudechis guttatus</i>
Red-bellied Black Snake	<i>Pseudechis porphyriacus</i>
Dugite	<i>Pseudonaja affinis</i>
Speckled Brown Snake	<i>Pseudonaja guttata</i>
Western Brown Snake	<i>Pseudonaja nuchalis</i>
Eastern Brown Snake	<i>Pseudonaja textilis</i>
Yellow-faced Whip Snake	<i>Demansia psammophis</i>
Eastern Small-eyed Snake	<i>Rhinoplocephalus nigrescens</i>
Curl Snake	<i>Suta suta</i>
White-lipped Snake	<i>Drysdalia coronoides</i>
Little Whip Snake	<i>Suta flagellum</i>
Mitchell's Short-tailed Snake	<i>Suta nigriceps</i>
Brown Tree Snake	<i>Boiga irregularis</i>
Northern Snake-necked Turtle	<i>Chelodina rugosa</i>

Wildlife Regulations 2002
S.R. No. 50/2002

Sch. 4

Mammals

Common Wallaroo (Euro)	<i>Macropus robustus</i>
Western Grey Kangaroo	<i>Macropus fuliginosus</i>
Kangaroo Island Kangaroo	<i>Macropus fuliginosus fuliginosus</i>
Eastern Grey Kangaroo	<i>Macropus giganteus</i>
Red Kangaroo	<i>Macropus rufus</i>
Brush-tailed Bettong	<i>Bettongia pencillata</i>

Amphibians

Green and Golden Bell Frog	<i>Litoria aurea</i>
Growling Grass Frog	<i>Litoria raniformis</i>
Southern Toadlet	<i>Pseudophryne semimarmorata</i>
Giant Burrowing Frog	<i>Heleioporus australiacus</i>
Red-eyed Tree Frog	<i>Litoria chloris</i>
Orange Thighed Tree Frog	<i>Litoria xanthomera</i>
Roth's Tree Frog	<i>Litoria rothii</i>
Northern Dwarf Tree Frog	<i>Litoria bicolor</i>

Wildlife Regulations 2002
S.R. No. 50/2002

SCHEDULE 5

Regulations 19, 21, 38, 39, 40, 41 and 52

**TAXA OF WILDLIFE (BIRDS, MAMMALS, AMPHIBIANS AND
REPTILES) THAT MAY BE HELD FOR PRIVATE PURPOSES
WITHOUT A LICENCE OR FOR COMMERCIAL PURPOSES BY
THE HOLDER OF AN APPROPRIATE LICENCE**

PART A

Birds

King Quail	<i>Coturnix chinensis</i>
Pheasant—all taxa	<i>Phasianus spp.</i>
Partridge—all taxa	<i>Perdix spp.</i>
Non-indigenous quail—all taxa, including Californian	<i>Alectoris spp.</i> <i>All taxa, including</i>
Quail and Japanese or European	<i>Callipepla californica</i>
Quail	<i>Coturnix coturnix</i>
Budgerigar	<i>Melopsittacus undulatus</i>
Zebra Finch	<i>Taeniopygia guttata</i>
Cockatiel	<i>Nymphicus hollandicus</i>

Mammals

Fallow Deer	<i>Dama dama (including D.d mesopotamica)</i>
Chital	<i>Axis axis</i>
Hog Deer	<i>Axis porcinus</i>
Rusa Deer	<i>Cervus timorensis</i>
Sambar	<i>Cervus unicolor</i>
Red Deer	<i>Cervus elaphus</i>
Wapiti Deer	<i>Cervus canadensis</i>

PART B

Birds

Western Rosella	<i>Platycercus icterotis</i>
Scarlet-chested Parrot	<i>Neophema splendida</i>
Bourke's Parrot	<i>Neopsephotus bourkii</i>
Elegant Parrot	<i>Neophema elegans</i>
Turquoise Parrot	<i>Neophema pulchella</i>
Alexandra's (Princess) Parrot	<i>Polytelis alexandrae</i>

Wildlife Regulations 2002
S.R. No. 50/2002

Sch. 5

Gouldian Finch	<i>Erythrura gouldiae</i>
Star Finch	<i>Neochmia ruficauda</i>
Blue-faced Finch	<i>Erythrura trichroa</i>
Long-tailed Finch	<i>Poephila acuticauda</i>
Chestnut-breasted Mannikin	<i>Lonchura castaneothorax</i>
Double-barred Finch	<i>Taeniopygia bichenovii</i>
Red-rumped Parrot	<i>Psephotus haematonotus</i>
Rainbow Lorikeet	<i>Trichoglossus haematodus</i>
Painted Firetail	<i>Emblema pictum</i>
Peaceful Dove	<i>Geopelia striata</i>
Diamond Dove	<i>Geopelia cuneata</i>
Galah	<i>Eolophus roseicapilla</i>
Sulphur-crested Cockatoo	<i>Cacatua galerita</i>
Little Corella	<i>Cacatua sanguinea</i>
Amphibians	
Plains Froglet	<i>Crinia parinsignifera</i>
Common Eastern Froglet	<i>Crinia signifera</i>
Spotted Grass Frog	<i>Limnodynastes tasmaniensis</i>
Eastern Banjo Frog	<i>Limnodynastes dumerilii</i>
Southern Brown Tree Frog	<i>Litoria ewingii</i>
Reptiles	
Common Long-necked Tortoise	<i>Chelodina longicollis</i>
Murray Turtle	<i>Emydura macquarii</i>
Marbled Gecko	<i>Christinus marmoratus</i>
Cunningham's Skink	<i>Egernia cunninghami</i>
White's Skink	<i>Egernia whitii</i>
Blotched Blue-tongued Lizard	<i>Tiliqua nigrolutea</i>
Eastern Blue-tongued Lizard	<i>Tiliqua scincoides</i>

Wildlife Regulations 2002
S.R. No. 50/2002
